

Training with Live Project

KMR Software Services Pvt Ltd Flat no 202, Plot no: 575, Sudarshan plaza, KPHB 6th Phase Road, K P H B Phase 6, Kukatpally, Hyderabad, Telangana 500072.

Another Branch: H No 7-1-621/10, Flat no:202, Sai Manohar apartments, Opp Almas Bakery, Umesh Chandra Statue, S R Nagar, Hyderabad, Telangana 500038.

Ph: +91-7032598380, +91-7032598320

Duration: 35 Days Demo: Free

Regular, Fast Track, 1-1, Weekends & Online

Course Key Deliverables

Angular js	35 hrs.
Resume Preparation	2 hrs.

OTHER OFFERINGS

SERVICENOW SALESFORCE TABLEAU PYTHON INFORMATICA
LINUX POWER BI HADOOP DATASCIENCE

Day 8 Day 8 Day 8 Day 9 Day 9 Day 10 Day 10 Day 11 JavaScript - Conditions/Loops Loops ECMAScript 5 loops Functions Functions Closures Revealing Module Pattern IIFE Promises Understanding TypeScript	Day 7		References		
Day 8 Loops ECMAScript 5 loops Functions Function Expression Arrow Functions Closures Revealing Module Pattern IIFE Promises TypeScript - Introduction Understanding TypeScript			Scoping		
Day 9 JavaScript - Functions Functions Functions Function Expression Arrow Functions Closures Revealing Module Pattern IIFE Promises TypeScript - Introduction Understanding TypeScript		JavaScript - Conditions/Loops	Conditions		
Day 9 JavaScript - Functions Functions Functions Functions Functions Functions Functions Closures Revealing Module Pattern IIFE Promises TypeScript - Introduction Understanding TypeScript	Day 8		Loops		
Day 9 Function Expression Arrow Functions Closures Revealing Module Pattern IIFE Promises TypeScript - Introduction Understanding TypeScript			ECMAScript 5 loops		
Day 10 JavaScript - Design Patterns Day 11 Arrow Functions Closures Revealing Module Pattern IIFE Promises Understanding TypeScript		JavaScript - Functions	Functions		
Day 10 JavaScript - Design Patterns Closures Revealing Module Pattern IIFE Promises TypeScript - Introduction Understanding TypeScript	Day 9		Function Expression		
Day 10 JavaScript - Design Patterns Revealing Module Pattern IIFE Promises TypeScript - Introduction Understanding TypeScript			Arrow Functions		
Day 10 JavaScript - Design Patterns IIFE Promises TypeScript - Introduction Understanding TypeScript	Day 10		Closures		
IIFE Promises Understanding TypeScript Understanding TypeScript Promises Understanding TypeScript Understanding Typ		JavaScript - Design Patterns	Revealing Module Pattern		
Day 11 TypeScript - Introduction Understanding TypeScript			IIFE		
Day 11 3 77 1			Promises		
Advantages	Day 11	TypeScript - Introduction	Understanding TypeScript		
			Advantages		

		Transpiler
Day 12	TypeScript - Type	Strongly Types
		List of Types
		Inferred Types
	TypeScript - Classes	Interfaces
Day 13		Class
		Access Modifiers
	TypeScript - Functions	Type Functions
Day 14		Parameters
		Overload
	TypeScript - Generics	Generics
Day 15		Туре Т
•		Generic Interfaces
		Understanding Node JS
Day 16	Node JS	Process Model
·		Installing Node and NPM
		Installing CLI
Day 17	Angular CLI	Features
,		Running your application
	Case Study	Use Case
Day 18		Requirement Gathering
•		Project Structure
	Angular - Boostrap/Module	System
Day 19		Main
•		Module/NgModule
	Project Structure	Initialization - Packages.json
		Polyfills
Day 20		WebPack
		Environment
	Angular - Component	Understanding Component
Day 21		Decorators
•	,	Root Componenet
	Angular - Data Binding	Understanding Communication
Day 22		One Way Data Binding
,		Two Way Data Binding
	Angular - Directives	Understanding Directive
		Component Vs Directive
Day 23		Built in Directives
		Custom Directives
		FormControl
Day 24	Angular - Reactive Forms	FormGroup
.,		Validations
		Understanding Pipes
Day 25	y 25 Angular - Pipes	Pipes on Data Bnding

		Custom Pipes
		Understanding Navigation
Day 26	Angular - Routing	Route Plan
		Configuring Routing
		Understanding Service
Day 27	Angular- Business Layer	Dependency Injection
		Injecting a service
	Angular - HTPP	HTTP Module
Day 28		Reactive Extensions
		Observables
		Unserstanding JWT
Day 29	Angular - Authentication	LocalStorage
		Implementing Authentication
	Angular - Guards	Implementing Routing Guards
Day 30		SignUp/SingIn/LogOut
		Private Compoenents
	Angular- Reusable Components	Nested Components
Day 31		Input
		Output
	Firebase	Understanding Firebase
Day 32		NoSql
		Configuring on Angular
Day 33	Firebase - CRUD	Creating/Reading/Updating
		Building Angular Application
		Deploying Angular Application
Day 34	Angular - Testing	Why Unit Testing?
		Jasmine
		Writing Test Cases
Day 35	y 35 Angular - Interview	Conclusion
		Inerview Questions
